Identification Number: C00084368

Reference: June Monthly Report (5/1/10-5/31/10)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item:

1. The totals listed on Lines 21(a)(i), 21(a)(ii), and 32, Column B of the Detailed Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-On Schedules H2 and H4, it appears you have revised the ratio for the "2010 PIONEER DINNER" fundraising event and have indicated that the actual federal share of expenses was greater than originally estimated. Please be advised that if an adjustment to a fundraising ratio increases the federal portion, the federal account must transfer funds to the non-federal account to make up for the excessive non-federal payment(s). Furthermore, the transfer to the non-federal account should be disclosed as a 100% federal disbursement on Schedule H4. 11 CFR §106.7(d)(4)(ii) Please amend your report to clarify this activity.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action

will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1173.

Sincerely,
